MEMORANDUM FOR: Director of Data Processing
FROM : [REDACTED]
Chief, Management Staff, ODP
SUBJECT : Management Staff Weekly Report May 9-13 77

EAG Review of Major ADP Projects

Management Staff, ODP sent a memorandum to ADP Control Officer regarding an EAG review of major projects that use ODP computer resources. This memorandum provided guidelines for the offices to use in responding to the EAG review.

SAFE Manpower Requirements

Management Staff worked with Special Project Staff, ODP to answer a question from the Administration Group, O/Comptroller, about SAFE manpower requirements in FY 1979.

Manpower Estimates for SSC and HAC

Management Staff provided the Administration Group, Office of Comptroller, with an estimate of the number of manhours used to answer questions from the Senate Select Committee (SSC) and the House Appropriations Committee (HAC).

Long Range Plans Working Group

This working group has met and a charter has been written. ODP members from Management Staff, Applications and Special Projects Staff will meet regularly to address ODP planning issues.

OL/ODP Procurement Working Group

This working group held their regular meeting. It seems to be a consensus that the format, and possibly the direction, of this group should be changed to be more effective.
